**2018 Curly Flat Macedon Sparkling**

**A rare and very limited release...**

Over the last several years we've been quietly making something special that we're now ready to share with you.

We're excited to announce our first release of Curly Flat Macedon Sparkling sourced from a single vintage. With fruit solely from our 2018 season, this sparkling has been slowly building complexity over the last four and half years in bottle, and is now ready for its next chapter on the festive table or beyond in your cellar.

Comprising of 60% Chardonnay and 40% Pinot Noir, we have added a minimal dosage (3g/L) prior to disgorging, to strike a great balance between richness, complexity, and length.

This release is only available directly from our website or cellar door and due to the small volume produced, very limited.

*\$70 per bottle - limited volume*

**Tasting Note from our Winemaker Matt Harrop**

"The palate is an explosion of flavour, Pinot Noir brings the aromas of strawberry & bath salts along with rich front palate flavours as the Chardonnay delivers citrus pith and stone fruits - and as in all great sparkling wines blended from these two varieties - provides the length, texture, and tension.

Adding to the complexity are the hints of brioche dough and crushed biscuit - the result of our 2018 spending over 4 years en tirage (on lees).

A wonderful drink now- either as an aperitif or with a meal- and over the next 3 years if you can wait!"

**2022 Curly Flat Chardonnay makes James Halliday's top 100!**

We're thrilled to say our 2022 Chardonnay was rated alongside the best in the country in the annual James Halliday Top 100 wines. 989 wines were submitted for the top 100 – so it's a very tough accolade to achieve. This rating relates only to quality, so the fact it is such good value is simply a bonus!

**2022 Curly Flat Chardonnay (\$50)**

"A great example of Macedon Ranges chardonnay, purity its watchword. Its bouquet is a distillation of very cool grown chardonnay, opening with quiet confidence, then steadily building intensity through to trumpets of grapefruit, yellow and pink, on the finish."

**96 points - James Halliday's Top 100  
The Weekend Australian Nov 2023**

*Praise for Current Release Pinots...*

**2021 Curly Flat Pinot Noir (\$62)**

"Impressively deep, bright and concentrated colour; very attractive and complex bouquet of spices, dark fruits and a background hint of forest-floor. Very ripe and rich but not overdone, the varietal fruit shines through beautifully. There is abundant powdery tannin and a long, long aftertaste."

**96 points, Huon Hooke, The Real Review**

**2020 Curly Flat Pinot Noir (\$65)**

*low stock - will sell out shortly*

"Deep, bright red/purple hue, with a dry spice, pepper and walnut bouquet, balsamic herbs too, savoury and bold, the varietal fruit still a touch suppressed, while the palate is intense and lively, deep and backed up by supportive but not assertive tannins. Black cherry emerged more the longer it was in the glass. A superb wine."
